## Credit Strategy on REUTERS

### MAIN MENU: <CDSIDEA>

Below is the front page and main menu for the Credit Strategy product and all pages have a link back to this page.

IDEAglobal offers a new direct route into its pages by offering "click-ability" that allows quick and easy navigation to the desired information.

Just "click" on "**Market Intelligence**" on the main menu <CDSIDEA>, for example, and you will be transported directly to our headline page that carries all the latest headlines including news and rumours, price action, credit and economic events, ratings actions, market sentiment, index updates, and more, all updated around the clock for credit and CDS market participants. Just remember <CDSIDEA>
