

### MAIN MENU: <IDEAFX>

Below is the front page and main menu for the FX product and all pages have a link back to this page.

IDEAglobal offers a new direct route into its pages by offering "click-ability" that allows quick and easy navigation to the desired information.

Just "click" on "**Fast track**" on the main menu <IDEAFX>, for example, and you will be transported directly to our headline page that carries all the latest headlines including news and rumours, market psychology and data releases. Intra-day, tactical and strategic outlooks across all markets combining fundamental and technical analysis and insights into market positioning. Includes coverage on spot, options and forwards, all updated 24 hours a day. Just remember <IDEAFX>
